Your dues fund the KCRS operating expenses including the Rose Show & Rose Day, Jazz in the Roses, Poetry in the Garden, our annual meeting, newsletters, groomer supplies, and various garden tours and educational workshops. Please be a dues paying member! We need and appreciate your support!

Remember, the Rose Garden in Loose Park is one of Kansas City's premier wedding venues and a leading tourist attraction. Since 2001, the Society has raised and spent more than \$1.3 million on improvements in the garden, which was founded in 1931. We appreciate your support in perpetuating the beauty of one of Kansas City's treasures.
